MILLION DOLLAR POWERBALL WINNER IN NORTH DAKOTA

BISMARCK, ND – It only took two weeks for another North Dakota Powerball player to become a millionaire. A Powerball Pick & Click online play ticket purchased in North Dakota for the Saturday night draw, March 23, 2019, matched all five white balls, making it worth \$1 million. The winning numbers are 24, 25, 52, 60, 66, and the Powerball is 5. The Power Play multiplier is 3. The winner, from the city of Edgeley, has yet to file a prize claim form.

The lucky ticket was sold through the North Dakota Lottery Players Club® via the Pick & Click online play service. This is the second \$1 million Powerball winning ticket to be purchased via Pick & Click this year.

“North Dakota Powerball players have had unprecedented luck this winter,” said Randy Miller, director of the North Dakota Lottery. “North Dakota has now had three Match 5+0 Powerball winners of \$1 million, or more, in less than three months.”

The Powerball jackpot for the Wednesday, March 27 draw is \$750 million. For winning numbers and other information, visit us on the web at LOTTERY.ND.GOV.
