\$150,000 POWERBALL PRIZE WON IN BISMARCK

BISMARCK – A North Dakota Powerball player hit it big just in time for the holidays! A \$150,000 Powerball with Power Play ticket for Saturday night’s draw won big by matching four white balls and the Powerball. The winning numbers were 3, 9, 10, 20, 62 and the Powerball was 25. The Power Play multiplier was 3.

The lucky ticket was sold via the North Dakota Lottery’s Pick & Click online play service. The prize was \$50,000, but as the player had also purchased the Power Play option, the ticket is worth \$150,000. The lucky winner from Bismarck, who chose to remain anonymous, still cannot believe she won such a big prize. The winner plans to use the winnings to pay off some bills, save some for future use, and just let it all sink in.

“The holiday season has been really lucky for North Dakota Lottery players,” said Lance Gaebe, director of the North Dakota Lottery. “Since Thanksgiving, we’ve had eight \$22,000 2by2 jackpot winners, one \$40,000 Mega Millions with Megaplier winner, one \$44,000 2by2 Tuesday Doubler winner, and this \$150,000 Powerball with Power Play winner.”

The Powerball jackpot for the Monday, December 18 draw is \$543 million. For winning numbers and other information, visit LOTTERY.ND.GOV.
