\$100,000 POWERBALL WITH POWER PLAY PRIZE WON IN FARGO

Bismarck – North Dakota Powerball players continue their lucky streak, as another player won big! A \$100,000 Powerball with Power Play ticket for Saturday night’s draw won by matching four white balls and the Powerball. The winning numbers were 8, 30, 48, 57, 64 and the Powerball was 9. The Power Play multiplier was 2.

The lucky ticket was sold at Cash Wise Fuel, 4907 Timber Parkway South, in Fargo. The prize was \$50,000, but as the player had also purchased the Power Play option, the ticket is worth \$100,000. The retailer will receive a \$2,000 bonus commission for selling the large tier ticket. No one has contacted the Lottery office to claim the prize.

Another North Dakota Lottery player hit it big, matching all four numbers to win the \$22,000 2by2 jackpot in Saturday night’s draw. The winning numbers for the November 6 draw were Red: 6 and 11; White: 7 and 11. The lucky ticket was sold via the North Dakota Lottery’s Pick & Click online play service in Lincoln. The prize has yet to be claimed.

“North Dakota Lottery players have been very lucky as of late,” said Randy Miller, director of the North Dakota Lottery. “Players have won over \$1.3 million in large tier prizes since October 4, 2021.”

Winners have 180 days from the date of the drawing to claim their prize. Prizes over \$599 must be claimed at the North Dakota Lottery office, which recently moved and is now located at 1720 Burlington Drive in Bismarck.

The Powerball jackpot for the Monday, November 8 draw is \$151 million. For winning numbers and other information, visit us on the web at LOTTERY.ND.GOV.
