**TWO NORTH DAKOTANS CLAIM A QUARTER MILLION DOLLARS IN POWERBALL PRIZES IN A SINGLE DAY**

BISMARCK – Two North Dakota Powerball players claimed two big prizes totaling \$250,000! A \$150,000 Powerball with Power Play prize from the October 7, 2023, draw and the \$100,000 Powerball with Power Play prize from the November 4, 2023, draw was claimed by two different winners on Wednesday.

The \$150,000 Powerball with Power Play prize was claimed by an anonymous player from Dickinson. She had checked her ticket at a North Dakota Lottery retailer and thought she had won \$600. When she arrived at the Lottery office, only then did she realize it was six figures. The winner said a bit of a shopping spree is in store before returning home.

The \$100,000 Powerball with Power Play prize was claimed by an anonymous player from Belcourt. The winner said he has not given it much thought as to what he will do with the winnings, as it has yet to sink in. Once the check is in his hands and cash in the bank, things will start coming to mind.

“Nothing is more fun than seeing the excitement from North Dakota Lottery players when they walk in our office doors” said Lance Gaebe, director of the North Dakota Lottery. “We hope this recent run of luck, fun, and excitement continues for Lottery players as the holidays quickly approach.”

The Powerball jackpot for the Saturday, November 11 draw is \$220 million. For winning numbers and other information, visit [LOTTERY.ND.GOV](http://LOTTERY.ND.GOV).
