# PICK & CLICK ONLINE PLAY

## Pick & Click online play purchases have changed.

Purchase one, or multiple draws, upfront using One-Time Purchase, or subscribe with a recurring cost.

**One-Time Purchase:** Just like buying a ticket at a retail location and/or with a playslip. Purchase for the next drawing (single draw) or for multiple drawings. Each game has a select number of consecutive drawings:

- o Powerball.....2, 3, 4, 5, 6, 9, 12, or 15 consecutive drawings
- o Mega Millions.....2, 3, 4, 5, 6, 7, 8, or 9 consecutive drawings
- o Lucky For Life.....2, 3, 7, 14, 21, 28, 35, or 42 consecutive drawings
- o Lotto America.....2, 3, 4, 5, 6, 9, 12, or 15 consecutive drawings
- o 2by2.....2, 3, 7, 14, 21, 28, 35, or 42 consecutive drawings

**Subscription:** Works in a similar manner to streaming service subscriptions. Subscribe for a select number of draws over a four (4) week period.

- o Powerball.....12 draws (4 weeks)
- o Mega Million.....8 draws (4 weeks)
- o Lucky for Life.....28 draws (4 weeks)
- o Lotto America.....12 draws (4 weeks)
- o 2by2.....28 draws (4 weeks)

You will receive an email notification a few days before your subscription is up for renewal. Your subscription will automatically renew using the payment method you select.

*Select from a list of Payment Methods:*

- o Wallet – Selecting this method renews your subscription automatically by using funds from your Pick & Click wallet. You can fund your “Wallet” with a debit/credit card or ACH. Keep in mind, once your “Wallet” can no longer cover your automatic renewal, your subscription will become inactive.
- o Debit/Credit Card – Selecting this method renews your subscription by automatically charging your debit/credit card, just like a streaming service subscription.
- o NOTE: If you currently have a debit/credit card or ACH linked to your account, your payment method WILL NOT transfer. You will need to resubmit your debit/credit card or ACH information. We apologize for any inconvenience.
