2. Points redeemed for a Points for Drawings promotion earn entry into the drawing. The odds of a player being selected to win the prize in each drawing depend upon the number of entries purchased through the redemption of points by all players.
3. The point cost of an entry into a Points for Drawings promotion will be displayed on the website for each drawing.
4. To use Points for Prizes® points to redeem entries into a Points for Drawings promotion, a player must select the drawing on the North Dakota Lottery Players Club® website that he or she wishes to enter, designate the quantity of entries, and submit the order.
5. It is the player's responsibility to ensure that the appropriate drawing and quantity are selected.
6. Once the entry order has been submitted, points will be deducted from the player's Points for Prizes® account and cannot be canceled or returned for the point value of the entries.
