MONEY MEDAL MADNESS RETURNS!

In conjunction with the upcoming Lotto America Game Change (draws MONDAY, Wednesday and Saturday), the North Dakota Lottery is excited to bring back the lottery promotion *Money Medal Madness!* July 17 through August 13, players who purchase a single draw, three play Lotto America with All Star Bonus ticket (\$6 value) get a chance to instantly win a BRONZE MEDAL (FREE \$2 Lotto America with All Star Bonus ticket), SILVER MEDAL (\$10 cash) or GOLD MEDAL (\$100 cash)!

Will your store make the "Top Sales" honors for this promotion? To sell more tickets, make sure you know the promotion details. If a player is an instant free ticket winner, their free \$2 ticket will print immediately after their purchased ticket. If a player is a \$10 or \$100 instant winner, a respective coupon will print. The winning ticket will have the respective "medal" printed on it for easy notification.

To receive credit for cashing an instant cash winner, the coupon must be scanned through the lottery terminal in the same manner as a winning lottery ticket. Encourage players to sign the back of their coupons.

Stores will receive credit for all scanned and cashed coupons, as well as the free \$2 Lotto America tickets. Preprinting Money Medal Madness transactions is strictly prohibited. Complete details and official rules can be found at LOTTERY.ND.GOV.

Lottery Links is provided free to licensed retailers, Lottery Advisory Commission members, vendors and other interested parties. Lottery Links is available on the website at LOTTERY.ND.GOV.

DIRECTOR'S MESSAGE

Greetings! I am Lance Gaebe, the new Director of the North Dakota Lottery. I am excited to join the professional team that operates the state's lottery and I look forward to new relationships with lottery retailers and players. Thank you to Randy Miller who ably directed the Lottery for many years. Our best wishes to Randy for an enjoyable retirement.

I appreciate the confidence of Attorney General Drew H. Wrigley in choosing me for this role. The Lottery is operated as a division of the Office of the Attorney General, in part, to maintain the integrity and public trust of the lottery games and their operation. The Lottery ensures that games are fun and inviting but most importantly operate in a fair and secure manner. The security and confidence in the lottery games is of utmost importance to the State of North Dakota.

The Lottery's goal is to provide a service to North Dakota citizens, promote games, and safeguard the integrity, security, and fairness of its operation. The Lottery strives to offer attractive games, work with retailers that are in convenient locations, create effective marketing efforts, and provide quality customer service to retailers and players.

Retailers are a key part of the Lottery team.

The Lottery counts on its retailers as a key partner to delivery lottery opportunities to players. The Lottery offers games that are fun, inviting, and

secure, but North Dakota Lottery retailers that host lottery terminals ensure customers have ready access to buy tickets, check if they have won as well as redeem winning tickets. Retailers earn commissions on Lottery sales and can build their business by offering the fun and excitement of North Dakota Lottery games.

Every North Dakota Lottery retailer plays a critical role in the Lottery's mission to generate revenue for the State General Fund that benefits all North Dakotans. A major portion of lottery proceeds is dedicated directly to the Multi-Jurisdictional Drug Task Force Fund and the Compulsive Gambling Prevention and Treatment Fund.

The North Dakota Lottery staff is in place to ensure retailers and their workers understand promotions and game offerings. If your store employees ever have questions about a lottery game, terminals, prizes and winners, signage, or your account, please contact our office. The Lottery office is part of your team, and we strive to make sure we are partnering to make the lottery a fun and secure option for your customers.

I am excited to be working with you and look forward to creating a strong and lasting partnership!
