\$100,000 POWERBALL PRIZE WON IN GRAND FORKS

Bismarck – A lucky North Dakota Powerball player sizzled up their summer with a huge win! A \$100,000 Powerball with Power Play ticket for Saturday night's draw hit it big by matching four white balls and the Powerball. The winning numbers were 4, 32, 48, 49, 63 and the Powerball was 20. The Power Play multiplier was 2.

The lucky ticket was sold at the Holiday Stationstore, 4005 South Washington Street, in Grand Forks. The prize was \$50,000, but as the player had also purchased the Power Play option, the ticket is worth \$100,000. No one has contacted the Lottery office to claim the prize.

"North Dakota Powerball players have been extremely lucky as of late. This is the third Powerball prize since July 13, 2016, worth \$50,000 or more," said Randy Miller, director of the North Dakota Lottery. "We encourage players to promptly check their numbers and sign the back of their tickets." Winners have 180 days from the date of the drawing to claim their prize.

The Powerball jackpot for the Wednesday, August 31 draw is \$154 million. For winning numbers and other information, visit us on the web at LOTTERY.ND.GOV.
