

**Please read this entire message as it relates to funding interruptions for all ND Lottery Pick & Click online play accounts.**

The Lottery will be making changes to the Pick & Click wallet process which will cause a short interruption in your ability to deposit funds. From November 27 thru December 7, 2019, you will not be able to add additional ACH, debit, or credit deposits into your wallet.

**Be sure to fund your wallet prior to November 27<sup>th</sup>!** If there are existing deposit and winning amounts in your wallet, you will be able to purchase Pick & Click plays but you will not be able to add additional funds.

Here is a list of dates and highlights:

- Wallet funding will be unavailable from November 27 thru December 7, 2019.
- Withdrawal from your winning account balance will be unavailable from December 2 thru December 7, 2019.
- The website and mobile app will be down for maintenance from midnight until 5:30 AM on December 8, 2019.

On December 8, you should log into your account and confirm your wallet balances. You will be required to re-enter any of your previously saved ACH or card information.

If you have any questions or concerns, please contact the North Dakota Lottery at (701) 328-1574 or [ndlottery@nd.gov](mailto:ndlottery@nd.gov).

Thank you for playing the North Dakota Lottery.
