**FOR IMMEDIATE RELEASE**

March 11, 2021

### **\$150,000 POWERBALL PRIZE WON IN DICKINSON**

Bismarck – A lucky North Dakota Powerball player kept the monthly winning streak alive with a sizzling six-figure win! A \$150,000 Powerball with Power Play ticket for Wednesday night’s draw won by matching four white balls and the Powerball. The winning numbers were 17, 18, 37, 44, 53 and the Powerball was 18. The Power Play multiplier was 3.

The lucky ticket was sold at Family Fare Supermarket, 1283 Roughrider Boulevard, in Dickinson. The prize was \$50,000, but as the player had also purchased the Power Play option, the ticket is worth \$150,000. No one has contacted the Lottery office to claim the prize.

“North Dakota Powerball players have had some good luck in the first quarter of 2021,” said Randy Miller, director of the North Dakota Lottery. “This is the second, \$150,000 Powerball prize in less than a month, along with the \$1 million Powerball prize in late January.”

Winners have 180 days from the date of the drawing to claim their prize. Prizes over \$599 must be claimed at the North Dakota Lottery office in Bismarck, but because the Lottery office is currently closed to the public, the winner(s) will need to contact the ND Lottery by telephone first, to receive special instructions and make arrangements to claim their prize. The ND Lottery can be reached at 701-328-1574.

The Powerball jackpot for the Saturday, March 13 draw is \$169 million. For winning numbers and other information, visit us on the web at [LOTTERY.ND.GOV](http://LOTTERY.ND.GOV).
